Re: Amended Rules of the Minneapolis Charter Commission

Gentlepersons:

The Rules Committee hereby recommends to the Commission, the adoption of the Amended Rules of the Minneapolis Charter Commission in the form hereto attached. The Rules Committee requests that adoption of the Amended Rules be placed on the agenda for the November, 2003 regular meeting of the Commission. The Rules Committee will move for adoption, subject to comments from the Commissioners.

For your convenience, the Rules Committee attaches a "blacklined" version of the Amended Rules to note the revisions from the extant Rules.

The Rules Committee would like to thank Commissioner Melendez for his insightful and helpful comments.

Thanks. Regards.

Very truly yours,

[Sent by Email]

Barry Lazarus, on behalf of the Rules Committee
